

## REMARKS

Applicant gratefully acknowledges that the Examiner has allowed Claims 12 and 15-19. The informalities in claims 1, 7, 12, 15, and 17 have been corrected.

The Examiner's rejection of claims 1-11 pursuant to 35 U.S.C. § 112, paragraph 2, has also been addressed by correcting the antecedent basis issues in claims 1 and 7. Namely, "said memory selecting means" in claim 1 has been amended to recite "a memory selecting means" and "said last written memory storage unit" in claim 7 has been amended to recite "a last written memory storage unit."

Applicant respectfully requests the Examiner grant early allowance of this application. The Examiner is invited to contact the undersigned attorneys for the Applicant via telephone if such communication would expedite this application.

Respectfully submitted,
